

REMARKS**Status of Claims**

The Office Action mailed June 7, 2007 has been reviewed and the comments therein were carefully considered. Claims 1-3, 6-11 and 14-16 are pending in the application and are currently rejected.

New Counsel

Applicant notes that new counsel has been appointed for this patent application. A Power of Attorney to Prosecute Applications Before the USPTO with change of address form was filed on August 29, 2007.

Claim Rejections Under 35 U.S.C. § 112

Claims 1-3, 6-11 and 14-16 are rejected under 35 U.S.C. §112, first paragraph, as failing to comply with the written description requirement. Applicant traverses this rejection.

Applicant notes that paragraph 33 of the specification for the instant application erroneously uses the label 105 to refer to the computing device. The correct label for the computing device is label 150, as shown in Fig. 1, as well as in the specification in paragraphs 25, 26, 28-30, etc. Therefore Applicant has amended paragraph 33 to correctly disclose that “the EPG displayed on computing device **150** ...”. Applicant asserts that this label error in the specification is a clear error, and the correction does not introduce new matter.

Applicant asserts that with this correction to the specification, the support is clear for the previous amendments to independent claims 1 and 9. Further support may be found in paragraphs 7 and 39, as well as the claims as originally filed.

Accordingly, Applicant asserts that the specification as filed includes description to convey to one skilled in the art the amendments made to independent Claims 1 and 9, and Applicant respectfully requests that the rejection under 35 U.S.C. §112 be withdrawn, and all pending claims be allowed.

Conclusion

All rejections having been addressed, Applicant respectfully submits that the instant application is in condition for allowance, or alternatively in proper form for appeal. Applicant respectfully solicits notification of allowance. Should the Examiner have any questions, the Examiner is invited to contact the undersigned at the number set forth below.
